

Players Wanted

The Isle of Wight Junior Ice Hockey Club are in need of players for all age groups. If you would like more information on joining, please call any of the numbers on the contact sheet included or visit www.iwjihc.org.uk.

Ice hockey has enormous appeal for children and adolescents. For one thing, the equipment used by youth leagues is virtually identical to that worn by the pros. Ice hockey enables children to skate fast but challenges them to stay in control. The sport also provides a constructive means of channelling their energy. Like other sports, children learn about teamwork and get many opportunities to succeed. Because only a handful of players are on the ice at any given time, each skater will play a very active and important role. As a consequence the Club has been accepted as an Access Organisation for the Physical Section of the Duke of Edinburgh's Award at all levels.

Please feel free to call and arrange to come along to watch any of our training sessions.

Power Hour

Power Hour is a great introduction to ice hockey all you need is basic skating skills. This is on every Tuesday evening and is run by one of our coaches. The costs is very reasonable and Planet Ice will provide you with skates, a helmet and a stick if needed.

Main Sponsors

Please feel free to come along to watch any of our training sessions. Call to arrange

SUBSCRIPTIONS

There is an Annual registration fee levied by the EHA. Monthly fees are also payable to the club, there is an away game fee (travel to game with family members included) and also a home game fee. Monthly subscriptions are payable by standing order. The monthly subscription entitles you to train every week with your own age group. It may at first seem confusing, if so please call to discuss fees in more detail.
